MUSEUM EXHIBITIONS— FROM IDEAS TO OPENING

The Irish Museums Association's Annual Conference 2010 will take place in Killarney on the theme of 'Museum Exhibitions - from ideas to opening' and will cover the theory and practice behind exhibitions, audiences, content, touring and buildings. The Conference will be of interest to anyone involved with exhibitions, whether in museums, galleries, historic houses or other public venues. It will also give an insight for museum visitors into the process and philosophy underlying exhibitions.

Friday's proceedings will commence at 12:00 noon and will include Members' Papers, Practical Sessions and a reception; Saturday's proceedings will commence at 10:00 am and will be the main day for talks, followed by a reception and conference dinner; Sunday starts with an AGM at 10:30 am followed by a visit to the award winning Muckross House. The Annual Conference will be launched by Dr. Martin Mansergh TD, Minister of State at the Department of Finance with special responsibility for the Office of Public Works.

We look forward to seeing you there.
